

**Who is
Mr Bucket?**

Sure, there's
been rumours...

Rolling Stone

SEX & DRUGS
& ROCK 'n' ROLL

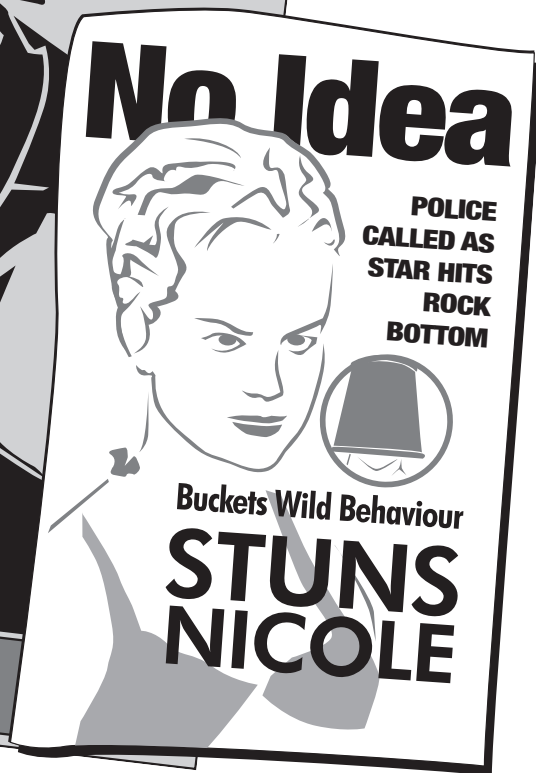

BUCKET
STONED
ON STAGE

NEW GAY
COWBOY

IS THIS THE NEW BOND?

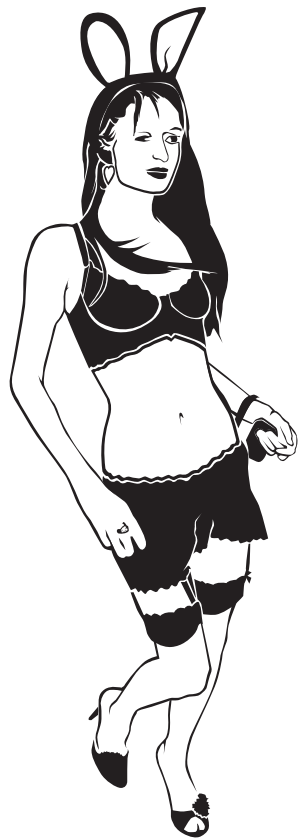

*Wild man of
fashion talks
movie offers*

**He air kissed lots
of models**

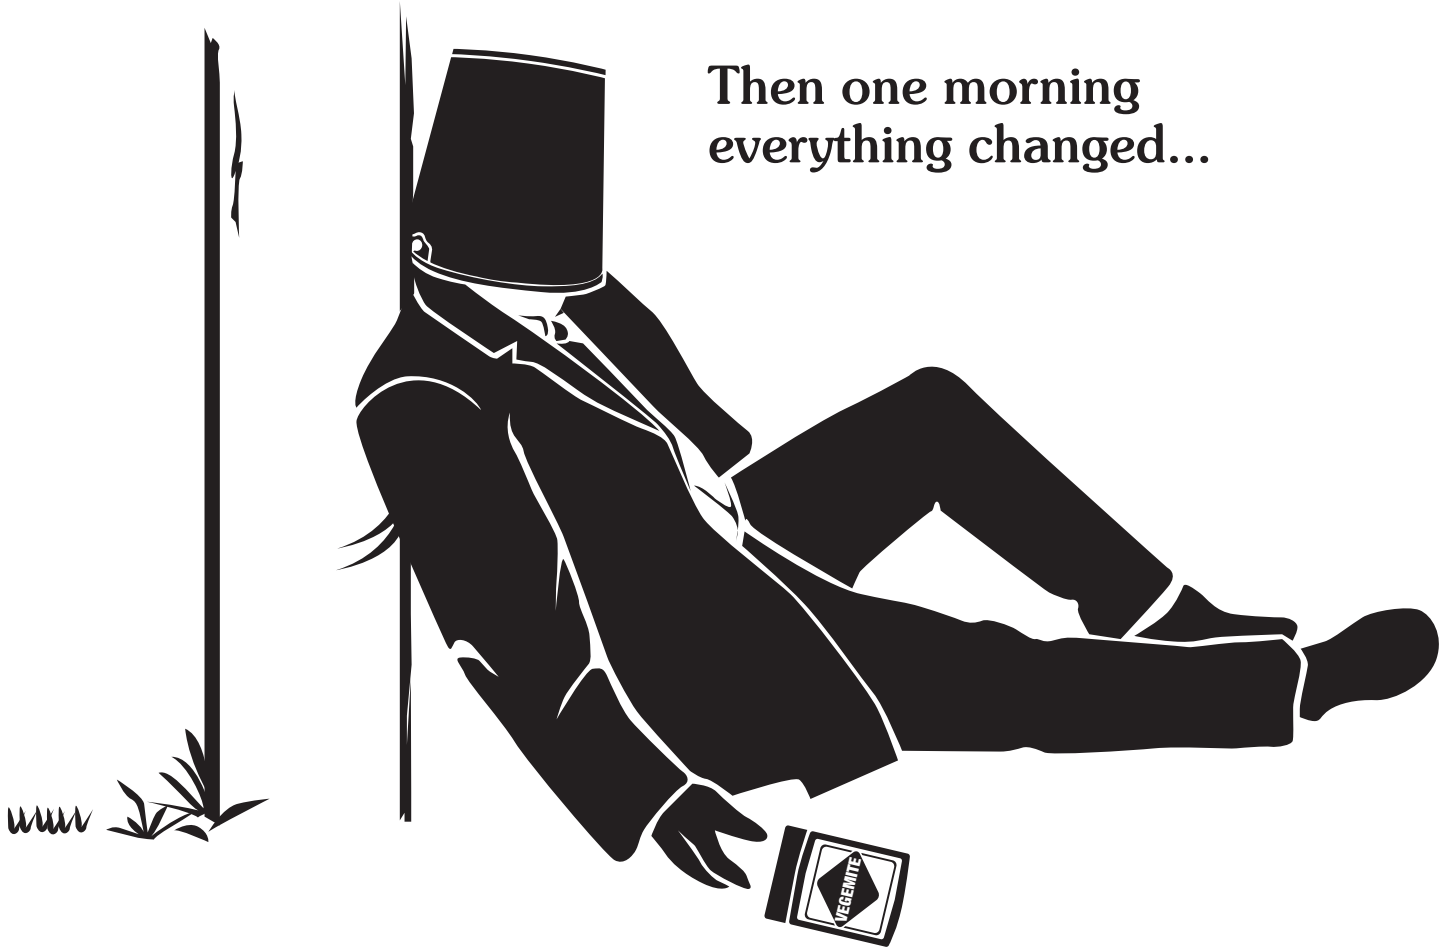

**It was the fashion
game!**

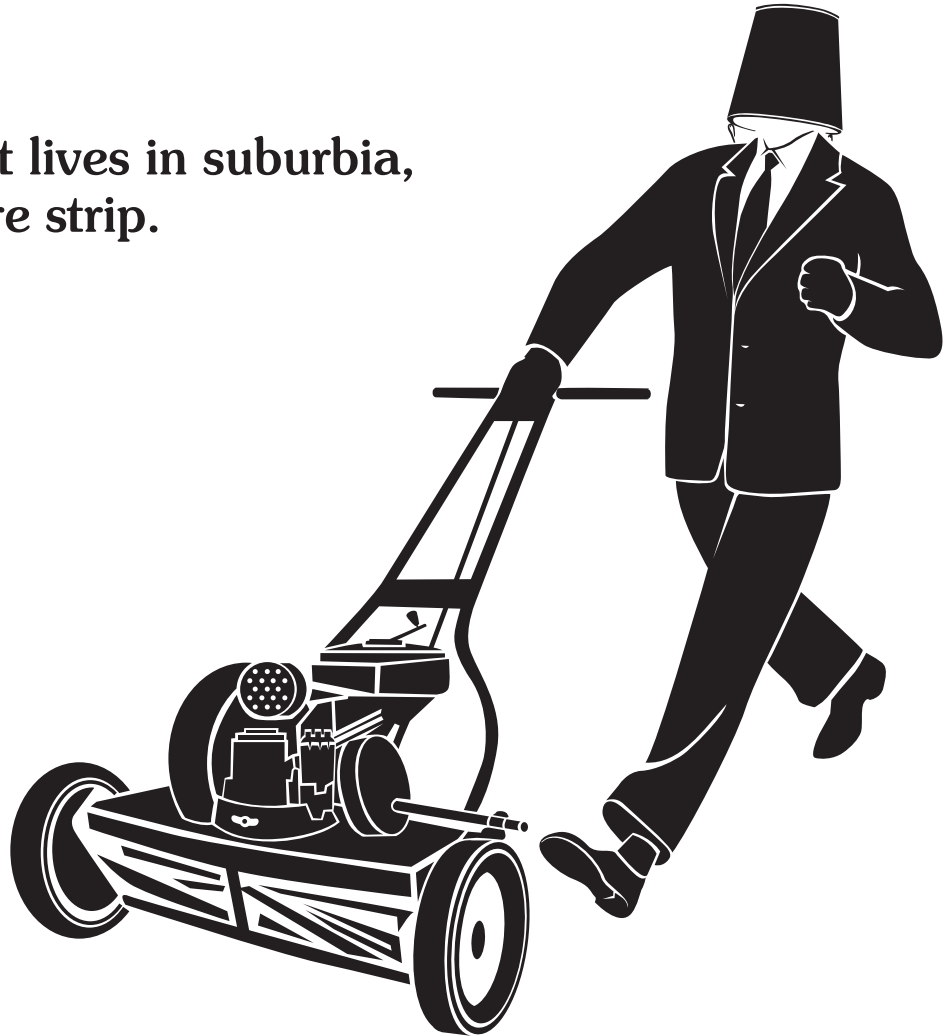

He was seen ignoring Paris,
and hanging out with Scarlett.

Then one morning
everything changed...

Now Mr Bucket lives in suburbia,
mows his nature strip.

Cooks his favourite food,
pancakes.

Feeds his dog, Bucket.

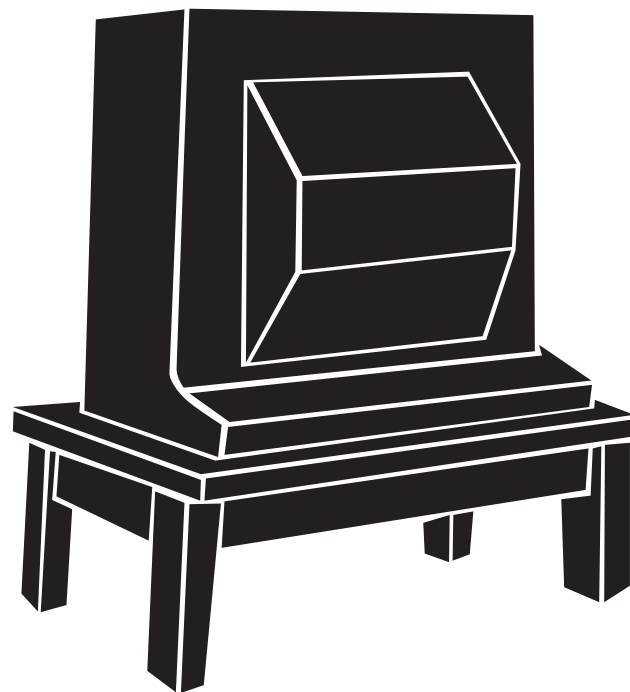

Plays his ukulele.

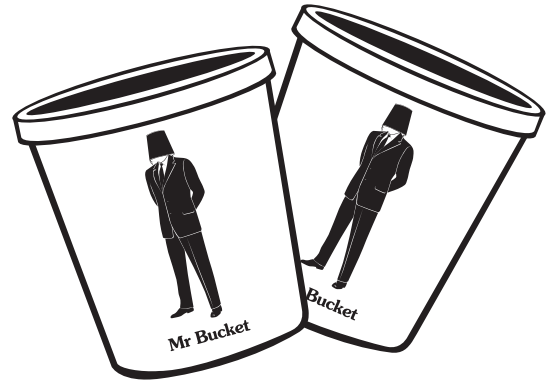

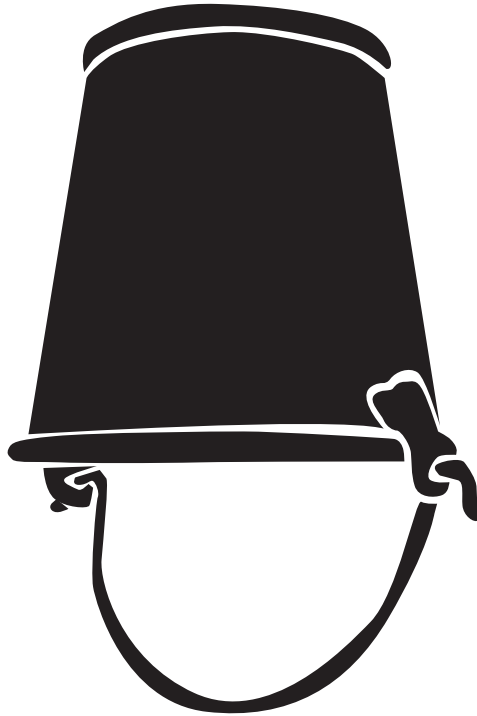

Then watches old movies.

And the bucket, well
that's another story.
